## International Institute for Learning Named Keynote Sponsor of PMXPO 2009 Virtual Conference

IIL Senior Executive Director Dr. Harold Kerzner to Present to Nearly 6000 Project Leaders at Annual Virtual Project Management Conference and Exhibition

**New York, NY – May 7, 2009** – International Institute for Learning, Inc. (IIL), a global leader in professional training in the areas of Project, Program, and Portfolio Management, Business Analysis, Microsoft® Office Project and Project Server, PRINCE2™, and Lean Six Sigma, has signed on to serve as the keynote sponsor of PMXPO 2009, the annual virtual conference and exhibition to be presented by gantthead.com on May 14.

PMXPO 2009 is a rich media experience with a conference hall, exhibit booths, a resource center, a networking lounge, giveaways and product demonstrations. Attendees get the same interaction with peers and solution providers, the same educational opportunities, and the same professional networking capability as a traditional conference without travel expenses or registration fees.

IIL's Senior Executive Director Dr. Harold Kerzner, one of the world's most-acclaimed experts in project management, will present the Keynote Sponsor Presentation, "Winning the Super Bowl of Project Management," immediately following the Keynote Presentation "Fourth and Goal: Making the Tough Calls that Make Leaders Successful" by Bill Cowher, one of the most successful coaches in NFL history.

The all-day conference is an opportunity for professionals to learn, network, earn PDUs, and gain valuable knowledge from the comfort of their home or office. The international event is expected to draw nearly 6000 top-level executives, project managers, and information technology professionals.

"Innovation is inherent in IIL's approach to learning, combining traditional solutions with cutting-edge methods to create programs of the highest quality," said E. LaVerne Johnson, Founder, President, and CEO of IIL. "It is fitting that we would lend our support to PMXPO 2009 and its innovative take on the trade show experience, uniting the traditional and virtual for a state-of-the-art event. We look forward to connecting with project leaders from around the world that are seeking the learning solutions that will advance their skills and abilities and enable them to operate more efficiently and effectively."

ILL's team of experts will be available at the Keynote Sponsor Booth throughout the day. For free registration, please visit <http://www.gantthead.com/PMXPO2009/register.cfm>. To schedule an appointment with a member of the ILL team, please contact Archie Messersmith at [archie.messersmith@ill.com](mailto:archie.messersmith@ill.com) or +1-212-515-5104.

ILL's mission is to embody its three key values – **Intelligence, Integrity, and Innovation** – in empowering individuals and organizations to advance their skills and abilities, increase collective knowledge and capabilities, and operate more efficiently and effectively.
