PDU and presentation information are subject to change. Some PDU Claim codes may not be active in PMI's system for up to 14 days after the conference goes live. You may self-claim PDUs for any presentation or keynote without a claim code as soon as you have attended or watched a presentation, or wait until the claim code becomes active in the system.

The number of PDU credits shown here in the Ways of Working category are for the PMP®, CAPM®, and PgMP® certifications only. Ways of Working PDU totals will vary by certification and may not be the same in all certifications. PMI will display the exact allocations in your MyPMI dashboard based on your exact certification.
